FAIRVIEW CELLARS BEAR MERITAGE VERTICAL FLIGHT Four 750ml bottles, one each 2000,2002,2003,2004

The Bear Meritage is Bill Eggert's premium wine blend using his oldest wines of Cabernet Sauvignon (50-65%) Merlot (25-35%) and Cabernet Franc. The wine is left in the barrel 3 to 6 months longer than his regular wines. The fermentation period is extended to allow for more extraction from the skins giving a bold very typical Fairview Wine. After all the barrel samples are taken the decision is made which ones deserve to be in the blend.

1998 CLOS SAINTE ANNE, ac BORDEAUX

Twelve 750ml bottles in Original Wooden case

This wine deserves recognition most importantly because of winemaker Yves Pardes, the man behind the scenes in the success of Chateau Petrus. Yves makes this wine as though he were making the Petrus, entirely from Merlot grapes, cultivating his vines and eventually handling the young wine in the cellars as exactly as possible to mirror the productions at Petrus. The wine is almost black in colour, with spice and layers of rich fruit on the nose. It is very long, rich and opulent, packed with ripe fruit and flavor giving it tremendous length and complexity.
